Look for these items inside the big house

- _____ **Quill** - A feather used for writing.
- _____ **Armoire** - A piece of furniture in which clothing is stored.
- _____ **Priedieu** - A piece of furniture knelt upon to pray.
- _____ **Bed Warmer** - A pan with a long handle that holds hot coals and used to warm a bed.
- _____ **Chamber Pot** - A bowl shaped container used as a toilet.
- _____ **Candle** - A cylinder of bees wax or animal fat (tallow) with a center wick that is lit to produce light.
- _____ **Fly Catcher** - A glass container in which sugar and poison is poured in order to attract and kill insects.
- _____ **Mortise and Tenon Joint** - A method of joining pieces of wood using no nails.
- _____ **Bousillage** - Clay, mud, cured Spanish moss and crushed shell mixture used as insulation.
- _____ **Mosquito Net** - A netting hung on a bed during the summer to prevent mosquitoes from biting you while sleeping.
- _____ **Marble Tub** - An original Destrehan family piece found in the house when restoration began.

Look for these items outside and in the out buildings

- _____ **Cistern** - A barrel made by the cooper and used to collect rainwater for cooking and drinking.
- _____ **Iron** - A heavy tool made from iron ore used for pressing wrinkles out of clothing.
- _____ **Toaster** - A device used to toast bread before electricity.
- _____ **Slave Bed** - A mat or pallet on the floor stuffed with Spanish moss or corn husks.
- _____ **Loom** - A device used to weave threads into cloth or tapestry.
